## MARYLAND STATE POLICE 90<sup>TH</sup> ANNIVERSARY COMMEMORATIVE BOOK!

*AN INVITATION TO ALL MSP EMPLOYEES,  
SWORN & CIVILIAN, ACTIVE & RETIRED*

The Maryland State Police is proud to announce a partnership with Acclaim Press for the production of a 90th Anniversary yearbook. More than ten years have passed since our last history book and there are many chapters to add to the great story of committed public service provided by the men and women of the Maryland State Police.

Ask anyone who has been a member of our Department what he or she liked most about their job and the response you will hear most often is, "the people I worked with." Since its inception on January 10, 1921, the Maryland State Police has engendered a sense of family among our employees that lives on today.

What better way to capture the 'proud past and promising future' of the Maryland State Police family than through a collection of pictures and information that combine to tell the story of this great Department and the people who made it what it is today? The publisher and those on the yearbook committee are committed to making this a comprehensive and professional publication that truly captures the 90 years of public service, professional policing and personal sacrifice of "Maryland's finest."

### **We Need Your Help!**

To make the book as inclusive as possible, we are asking for you to contribute by **sending in** personal experience stories of 1,000 words or less, and any historic photos for inclusion. We will be including as much of this material as we can.

You may also submit any photographs from your time with the department — action shots, crime scene and group photos will all be accepted. *Watch for additional information for when the publisher's portrait photographer will be on hand to take personnel pictures!*

### **Special Book Offer**

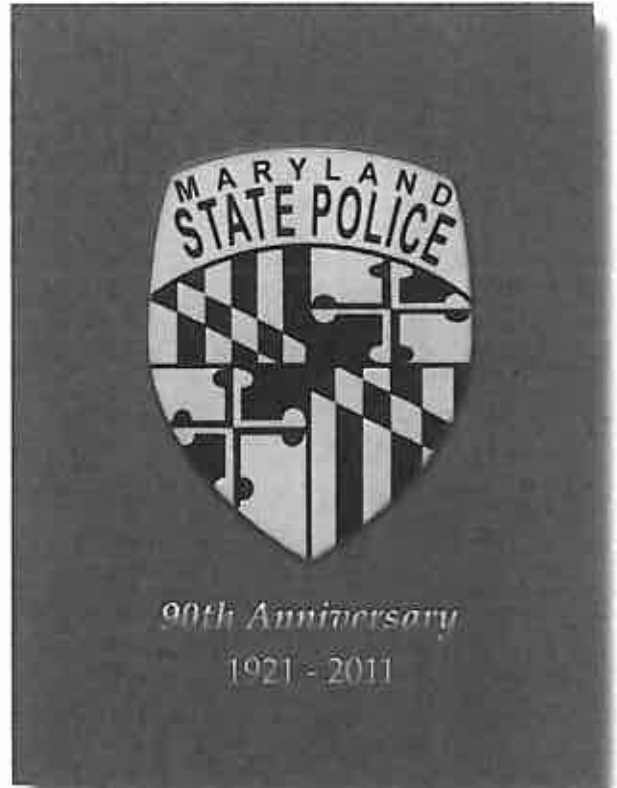

This book is only being sold to members of our department (and retirees). Since this will be a limited edition publication, the number of books printed will be based upon the number of copies ordered in advance. **Therefore, you are encouraged to place your order by the September 30th deadline!** See inside for more details.

This is a book you will want to have in your collection. Please review this brochure to learn how you can reserve your full-color copy today. Be sure to order before the deadline to ensure delivery of your yearbook in the fall/winter of 2010. All financial transactions will occur directly with Acclaim Press and not with the Maryland State Police. A portion of the proceeds from yearbook sales will be donated to the charity of our choice.

Thank you for your part in writing our proud history of dedicated service to the people of Maryland. I look forward to seeing you in the pages of the 90th Anniversary Maryland State Police yearbook.

Sincerely,

Col. Terrence B. Sheridan, Superintendent  
Maryland State Police
